

## NECTAR/INTR 2021

Royal College of Physicians Edinburgh: November 8 -10, 2021

Host: Dr Tilo Kunath, Centre for Regenerative Medicine

University of Edinburgh

We are excited to announce that **registration to in-person attendance has now been opened!**

This meeting will be a hybrid conference. In order to provide a Covid-safe environment, spaces at the in-person meeting are limited to 135, which allows for 1 m social distancing within the venue. If you wish to attend in-person, early registration is strongly recommended.

**In-person and virtual attendance registration:** Register [here](#)

Abstract submission information [here](#).
